Quality life is a primary right of a child. The children's place is in school instead of the streets or elsewhere. With the children vending religious articles at the vicinity of the Basilica Minore del Santo Niño, much of their lives are taken away from them caused by the abject state of poverty. The call of service to the poor children rings. The answer is the Basilica del Santo Niño children's Welfare Foundation, Incorporated. Its official creation on the 7th day of January 2004 with its registration at the Securities and Exchange Commission marks the seal of the answer. The foundation was formally launched on January 8, 2004, on the first day of the novena of the Feast of Señor Santo Niño at the BMSN Augustinian Community Fathers Convent.
